

Alla svetsade konstruktioner följer SMS 723A om annat ej anges

3000 N Static 4000 N Dynamic
Vertikal load on each green foot.

3500 N Static vertikal load
on each of 4 grey feet.

(1 : 20)

Grey feet came from the scanner and
should NOT be placed on the same
grouding or beam as the green feet from the
feeder.
Vibrations from the feeder and other transporting
systems may disturb the scanner.
