Approval of use of SintoGrind TC-X 1500

Dear Mr. Storr,

With this letter we confirm that your grinding fluid SintoGrind TC-X 1500 can be used on all Rollomatic grinding machines, SintoGrind TC-X 1500 meets our requirements to achieve optimum grinding performance.

This grinding fluid offers a high inflammation point of over 200°C, other aspects like foaming, filtration quality, odor, machine, and skin compatibility are well within the limits.

Best regards,

Gert-Jan Hartog
