## Approval of Strausak AG

Dear Mr. Martin Storr,

We are pleased to confirm that the grinding fluids of the ToolGrind-, DiaGrind- and SintoGrind-series from oelheld GmbH have been used successfully for years by many customers worldwide on grinding machines from STRAUSAK AG. We also use oelheld GmbH grinding oils for the machine acceptance tests in our demonstration centre in Biel.

With regard to grinding performance, machine and employee compatibility, we have had exclusively positive results. Therefore, the grinding oils of the ToolGrind-, DiaGrind- and SintoGrind-series from oelheld GmbH are approved and recommended for use on grinding machines from STRAUSAK AG.

Sincerely Yours

Strausak AG
